Messages from the office...

New Menu Recipe Trials and Dietary Requirements

Please be aware that we will be trialling new menu recipes over the first 2 weeks in August. Please ensure that we always have update details regarding your child's dietary requirements. If you do need to update or change any details regarding your child's allergies, dietary requirements please email lisa@rainbownursery.info

'You said, we did'

Last month we ask you 'Are you aware that you need to report to us any injuries/marks/scratches that your child has done at home? Are you aware how to report these?'

All except one parent who responded knew that they have to report any bumps, scratches or bruises. You can find our existing injury form on our website under information and downloads or you can use the following link: <https://docs.google.com/forms/d/e/1FAIpQLScBFjAJbjSyRKqaadh95SQ8k4Rn6-4B7HWPI0gqbznogQeTow/vie wform>

As always any questions or concerns please do not hesitate to contact Miss Watson lisa@rainbownursery.info

This months question is

Currently every 4 months we complete a 'report' for your child stating where they are at with their development, would you prefer a short written report regarding their development or a phone call with your child's key person to discuss your child's learning and development in more detail?

Please follow the link below to answer the question.

Yorkshire Air Ambulance!

Huge congratulations to Miss Lightowlers daughter Chloe for walking 20 miles to raise funds for Yorkshire Air Ambulance. Involved in a road traffic accident when she was 11 years old, Chloe suffered injuries so severe that she needed treatment much faster than a road ambulance could accommodate and it was the charity's helicopter that flew her, within minutes, from the scene. Please follow this link to read more about Chloe's story and offer your support by making a donation towards her fundraising campaign.

Rainbow News

Baby Nursery News...

Acting out personal experiences through role play, seen here by giving the babies a bath, develops imagination, social and language skills.

The Olympics are now in full swing. The baby nursery created their own Olympic rings using cups and paints!!

Rainbow News

Day Nursery News...

Adding oranges, lemons and limes to water play stimulates sensory development such as smell and texture.

Using the tongs to pick up objects is an excellent way to develop physical skills and hand eye coordination.

It is always fun to play at the beach with real sand!!

Rainbow News

Preschool News...

Oral health is very important. What a great way to learn about the importance of brushing our teeth and learning our numbers too!

When we had the big downpours of rain this month, Preschool made the most of this by putting paint in the big puddles and sliding down the wet mud on the hills!!

School Leavers

We would like to say goodbye and goodluck to all of the children leaving to go to Primary School over the next few weeks. We hope you all have a fantastic time, we will miss you all lots, but we know you are all ready for the next step in your journey.

Please note that even if your child doesn't attend our before and after school club, they can still attend our holiday club during school holidays. We are open all North Yorkshire County Councils school holidays.

Rainbow News

Junior Club & Holiday Club News...

The after school club gives the children opportunity to relax after a busy day at school. This can be done through various activities on offer such as painting, drawing, accessing games on the computer or tablet, playing board games and plenty of outdoor play.

Come Along and Join the Fun!!

We still have places available in our Summer holiday club. Please contact the office if you would like to book any sessions.
